

Memo

To: Mayor and Council
From: Wilma Erven, Culture & Recreation Director
Date: September 2, 2010
Subject: Resolution for Baseball Tomorrow Grant

Recommendation

Staff is recommending the City Council consider approving a resolution for a grant to Baseball Tomorrow Fund.

Background

The condition of existing softball equipment has deteriorated to the point that replacement is a must. Each year the number of youth participating has increased, without staff purchasing new or additional equipment. The 2010 season saw 260 youth participating. Baseball Tomorrow Fund has a fall 2010 grant cycle that if awarded to us, could assist in replacing our equipment. A resolution stating City Council supports our application is required.

Costs

The total cost of the project would be \$10,000. Baseball Tomorrow Fund will pay 50% and we would budget in the 2011 budget the other 50%.

Actions To Be Taken If Approved

City Council approves the resolution, and then staff will proceed by completing the grant application, with staff submitting it by the October deadline.

Suggested Motion

I move to adopt Resolution #8, 2010.
